

### Conflict of Interest (Col) – Disclosure

To ensure that our congresses are held in the highest esteem, they are exclusively bound to the interests of science and research. The board has decided to ask each presenter to show a conflict of interest slide at the beginning of the lecture, specifying:

1. Honoraria for lectures
2. Honoraria for advisory board activities
3. Participation in clinical trials
4. Research funding

Please indicate also when there is no conflict of interest.

### Poster boards

Format: width 0.95 m, height 1.50 m (DIN A0)

The figures in parentheses below the program number designate the poster area and site.

### Poster Sessions

Poster sessions are in Room 1 (see floor plan). The coloured numbers of the poster board are intended as orientation aids for discussion monitors and poster presenters.

### GCS-Poster Award of the Annual Meeting

The discussion moderators will choose the best poster from each section and affix the society's signet to it. The selected posters should be mounted on poster boards set up for this purpose in Room 1 immediately after the poster session (Details can be obtained from the Poster Service).

A prize jury will select the best three of these posters before the end of the conference.

The award winners will be announced after the congress in Cardio News.
