

Right of Use

As a poster presenter, you grant the German Society of Cardiology – Heart and Circulatory Research (DGK) the non-exclusive, royalty-free right to use your contribution for the conference as well as for the DGK's continuing education and training programs. At your request, individual figures may be excluded.

Conflict of Interest

As a professional society for cardiology, we wish to ensure that our congresses are viewed as events dedicated solely to the interests of science and research. Therefore, in accordance with a decision by the Board, we ask that you disclose any potential "conflict of interest," which must be indicated on your poster.

Please include a footnote on your poster disclosing the following information and naming the relevant companies:

- Speaker honorarium
- Research funding
- Paid advisory board activities
- I am an employee/staff member

You should also indicate if there is no conflict of interest.

Poster Boards

Poster board size: Width 0.95 m x Height 1.50 m (DIN A0)

The figures in parentheses below the program number designate the poster area and site.

Poster Sessions

Poster sessions are in Room 1 (see floor plan). The coloured numbers of the poster board are intended as orientation aids for discussion monitors and poster presenters.
