

Curriculum Vitae

Personal data:

Last name Thiele
First name Holger
Title Prof. Dr. med.; MD, FESC
Address: Heart Center Leipzig – University of Leipzig
Department of Internal Medicine/Cardiology
Strümpellstr. 39
04289 Leipzig, Germany
Tel: +49 341 865 1428; Fax: +49 341 865 1461
E-mail: holger.thiele@medizin.uni-leipzig.de

Position:

Director and Full Professorship Internal Medicine/Cardiology
Heart Center Leipzig at University of Leipzig
President Elect German Cardiac Society

Qualifications:

Board certification Internal Medicine/Cardiology/Angiology
Emergency medicine/Magnetic resonance imaging/Intensive care medicine

Clinical focus:

Interventional cardiology, coronary interventions, structural heart disease interventions (aortic valve, mitral and tricuspid valve), PFO/ASD closure, intensive care medicine, cardiac magnetic resonance imaging

Research and Trials:

Main focus: MRI and CT-imaging, acute myocardial infarction (STEMI + NSTEMI), cardiogenic shock, assist devices, interventional cardiology, structural heart disease, myocarditis
Head of the working group „Acute coronary syndromes and complications“
Head of the working group „noninvasive imaging“
Primary Investigator MR Core Lab for Multicenter-trial CRISP-AMI
Coordinating Investigator for Multicenter trial Abciximab i.v. versus i.c. (AIDA STEMI)
Coordinating Investigator for Multicenter trial IABP-SHOCK II (DFG-funded, DSHF-funded)
Coordinating Investigator for Multicenter trial TATORT NSTEMI
Coordinating Investigator for Multicenter trial CULPRIT-SHOCK (EU-funded FP 7, DSHF-funded)
Coordinating Investigator for Multicenter trial CAVA-ADHF (DZHK-funded)
Co-ordinating Investigator for Multicenter trial TOMAHAWK (DZHK-funded)
Coordinating Investigator for Multicenter trial SOLVE-TAVI
Coordinating Investigator for Multicenter trial EVE-TAVI
National coordinator Germany AUGUSTUS trial
GCP-Training 2014 and update 2017

Publications:

>700 publications with cumulative impact factor >6600, h-Index 90 in peer-reviewed, international high-ranked journals including New England Journal of Medicine, Lancet, JAMA, Circulation, JACC, European Heart Journal, etc.

Awards (selection):

Karl-Ludwig-Neuhaus-Research Award of the Germany Society of Cardiology - 2005
Martin-Kirschner-Research Award of the Working Group “Südwestdeutscher Notärzte” - 2007
Fritz-Acker-Research Award of the Germany Society of Cardiology – 2010
Research Award of the ALKK – 2010
Hanse Intensive Care Research Award - 2013
Andreas-Grüntzig-Research Award of the Germany Society of Cardiology – 2013
AGIK Publication award – 2018
Most cited researcher Clarivate award – 2020 and 2021

Guidelines (selection):

German tomography imaging guidelines
ESC revascularization guideline 2013 and 2018
ESC NSTEMI-ACS guideline chair 2020
ESC ACS 2023 Task Force member

Editorial Boards:

Reviewer for nearly all international internal/cardiology journals including New England Journal of Medicine, Lancet, JAMA, Circulation and sub-journals, JACC and sub-journals, European Heart Journal, etc. Editor Herz, Notfallmedizin, Clin Res Cardiol, European Heart Journal Cardiovascular Imaging, Eur Heart Journal Acute Cardiovascular Care.

Leipzig, 08.10.2021

Prof. Dr. med. Holger Thiele
